ABOUT ME

Military Status: Completed
Location: Eskişehir
E-mail: usluburakbircan@gmail.com
Phone: +90 555 212 2966

Since 2015, I have been actively working in the fields of Full Stack Development (**Laravel, PHP, HTML5, CSS, Javascript/Jquery, Vue/Nuxt**),

Driven by a **lifelong passion for technology**, I have dedicated my education and career to software development.

As a highly adaptable Full Stack Developer and Team Leader, I thrive in collaborative environments that value **open communication and constructive feedback**. I excel at **breaking down complex tasks** into actionable steps, **utilizing analytical thinking** and **solution-oriented crisis management**.

With a strong foundation in both design and development, I have successfully delivered dozens of projects, always remaining eager to learn and implement new technologies.
